WETEX

A photograph of a dining table set for a meal. The table is light-colored wood. In the foreground, two wooden chairs with grey upholstered seats are visible. The table is set with dark grey ZICZAC placemats. Each place setting includes a white plate with a slice of cheese, red berries, and a blackberry. There are also glasses of water and amber-colored drinks. A bottle of wine and a bowl of fruit are on the table. In the background, there is a large window and a framed abstract painting.

Durability, practicality, and design is always what we have in mind while making our products. Unique in their feature and made to last, even with minimum maintenance.

ZICZAC® offers you the comfort of wearing something light yet stylish, feels good and adjustable, easy to clean and stay in their shape. All vegan leather without animal cruelty or relying on beef consumption to produce.

New products from the requests of hospitality industries are also featured in this catalogue, together with new accessories and soft textiles for the living room.

QUERCO

Cork

Welcome to our line of high-quality European cork products! Our cork is sourced exclusively from Portugal, a region renowned for its superior cork production. We take pride in our commitment to sustainability and environmental responsibility, which is why we use only FSC-certified cork from responsibly managed forests.

Our cork products are not only good for the environment, but they are also good for the trees themselves. By taking cork from the trees, we actually help them absorb more nitrogen from the air - up to three times more than they would otherwise. This means that our cork products actually contribute to the health and wellbeing of the forest ecosystem.

In addition to being ecologically sound, our cork products are also 100% recyclable and cradle-to-cradle. This means that they can be fully reintegrated into nature as a nutrient-rich food source. Our commitment to sustainability extends throughout our entire production process, ensuring that our products are as environmentally responsible as they are durable and long-lasting.

WHY QUERCO?

FOODSAFE

The QUERCO collection has undergone rigorous testing and has obtained food safe certification, meeting the standards set by food safety regulatory authorities.

WATER REPELLANT

The unique cellular structure of cork in the QUERCO placemats enables them to repel liquids effortlessly. Spills and moisture are no longer a concern as the cork acts as a natural barrier, preventing liquids from seeping through and damaging your table surface.

STAIN REPELLANT

Accidental spills happen, but with the QUERCO cork placemats, stains are easily managed. The surface of these placemats is naturally stain-repellant, allowing you to quickly wipe away any mishaps with ease.
